

Coast to Coast Volleyball & Events

Volley for the Gulf

Coast to Coast Volleyball and Events hopes to host Volley for the Gulf Tournaments to raise money for the wildlife affected by the Deepwater Horizon Oil Spill.

100% of proceeds will go directly to the Institute for Marine and Mammal Studies (IMMS), a non-profit organization that is helping with the oil spill. Allyson Reed, the founder of Coast to Coast Volleyball and Events and Volley for the Gulf, has made contact with IMMS and talked to them about what they are doing for the wildlife and has received their tax ID.

To register for the tournament please e-mail Allyson Reed at volleyforthegulf@gmail.com. There are limited spots so register soon!

If you or your company are interested in becoming a corporate sponsor contact Allyson at coasttocoastvolleyball@gmail.com
